

SHOW YOUR SUPPORT!

HRM has a strong swimming tradition, producing Olympic & Commonwealth medalists. DCSC started over 30 years ago and has been at the Sportsplex since 1982. We have over 80 swimmers from age 6 to 18. DCSC has produced three Olympians. Last year, we sent six swimmers and head coach to the 2005 Canada Games.

Competitive swimming costs are borne 100% by parents. Pool costs are expensive and un-subsidized and the need for competition often takes us out of the Maritimes.

WHY SWIMMING?

Swimming is a great sport for firms to support. Fun, work ethic, confidence, self-discipline, and love of fitness are some of the benefits of competitive swimming. DCSC has graduated hundreds of swimmers to success in sport, school & business. They win U.S. college scholarships and many more swim for Canadian universities.

Associate your business with the Dartmouth Crusaders, a community swim club focused on supporting and helping athletes achieve their personal goals.
